

# 2013 China Academic Conference on Food Packaging

## Sponsors

China Academy of Printing Technology  
Tianjin University of Science and Technology

## Organizers

Editorial Board of *China Printing and Packaging Study*, KeyinMedia  
College of Packaging & Printing Engineering of Tianjin University of Science and Technology

**Date** November, 2013

**Location** Tianjin, China

## Topics

### 1. Functional Food Packaging Materials Technology

Eco-friendly packaging printing materials, Fresh-keeping packaging materials, Nano-packaging materials, Indicative packaging materials (temperature, humidity, freshness, shelf life, etc.), Antimicrobial packaging materials, Biological active packaging materials, etc.

### 2. Innovative Food Packaging Design

Food packaging structural design (Functional structure, etc.), Food intelligent packaging design, Application of packaging auxiliary software design, etc.

### 3. Food Packaging Printing

Packaging printing image processing, Packaging printing process, Packaging printing quality detection, Packaging anti-counterfeiting printing, etc.

### 4. New Process and New Machinery in Food Packaging

New automation process, Functionalized process (Modified atmosphere packaging, etc.), Multifunctional food packaging machinery, Intelligentized control technology, etc.

### 5. Food Transport Packaging

Printability and its evaluation method in food transport packaging, New food transport packaging materials, etc.

### 6. Food Packaging Safety

Detection and evaluation method of migration of harmful substances in food packaging, Technical research on setting safety standards and regulations, etc.

### 7. Food Packaging Logistics Management and Traceability Technology

RFID technology, Two-dimension code technology, Security food packaging technology, etc.

## Paper Requirements

1. Papers should show the innovation theory and application research results which have not been published on other journals and conference proceedings.
2. Abstract should include research purposes, methods, results and conclusions. It should

be conducted in English within 300 words. Paper should be written in English and format should accord with submitted template of international journal specified by the organizers.

3. Paper electronic version should be delivered in Word format. Please address the “subject” of your email as “Paper for *2013 China Academic Conference on Food Packaging*”. Please attach your CV and detailed contact information within the email.

4. Each paper will be reviewed by 3 referees. The peer-reviewed papers will be included in "Proceedings of 2013 China Academic Conference on Food Packaging" which will be published on the international journal indexed by SCOPUS, EI Compendex and CPCI. Besides, some of excellent peer-reviewed papers will be recommended to the journal indexed by SCI.

### **Important Dates**

Abstract Submission Deadline: May 10, 2013

Notice Sending and Receiving Deadline: May 17, 2013

Final Paper Submission Deadline: June 60, 2013

Acceptance Notice Receiving Deadline: August 30, 2013

### **Important Information**

1. E-mail

[cacfp2013@gmail.com](mailto:cacfp2013@gmail.com) [xshy@keyin.cn](mailto:xshy@keyin.cn)

2. Secretariat of Conference Organizing Committee

\* Editorial board of *China Printing and Packaging Study*, China Academy of Printing Technology

Tel: 8610-8827 5607, 8827 5775

Contact: XU Min YANG Li

Address: No.2 Cuiwei Road, Haidian District, Beijing 100036

\* College of Packaging & Printing Engineering, Tianjin University of Science and Technology

Tel: 8622-6027 4490, 6027 3395

Contact: LV Youjun AN Ran

Address: No. 1038 Dagu Nanlu, Hexi District, Tianjin, 300222
