

2018 9th China Academic Conference on Printing and Packaging

NOTICE

Sponsors

China Academy of Printing Technology
Qilu University of Technology (Shandong Academy of Sciences)

Organizers

Beijing Key Laboratory of New Technology of Printing and Packaging, China Academy of Printing Technology
College of Printing and Packaging Engineering, Qilu University of Technology (Shandong Academy of Sciences)

Date

2018 Nov. 17-19

Location

Jinan, China

Topics for Panel Discussion

1. Color Science and Technology

Color model; Color reproduction; Color management; Color measuring and calculating; Color evaluation and analysis

2. Image Processing Technology

Image digitizing; Image processing; Image information visualization; Image reproduction; Image quality assessment

3. Digital Media Technology

Virtual reality technology; Augmented reality technology; Digital asset management; Media interaction design; Media database technology and application; Digital and network publishing; Copyright protection technology; Mobile internet applications

4. Printing Technology

Printing technological process; Process control and standardization; Digital workflow; Digital printing; Inkjet printing; Specialty printing; Printed electronics; 3D printing

5. Packaging Technology

Packaging structure design; Packaging process; Intelligent packaging technology; Fresh-keeping packaging technology; Transport packaging and safety; Food safety packaging; Internet of things packaging and logistics management

6. Mechanical Engineering and Numerical Control Technology

Printing equipments; Packaging equipments; Numerical control technology; Intellectualized design; Machine visual system detection technology

7. Materials and Detection Technology

Information recording material; Ink and related materials; Paper and related materials; Film and related materials; Functional materials; Material detecting technology

Paper Requirements and Publishing Format

1. Papers should show the innovation theory and research application results which have not been published on other journals and conference proceedings.
2. The papers should meet academic publishing rules, the abstracts should be in English (about 300 words), and include research objectives, methods, results and important conclusions and so on. The entire paper should be also written in English, and the format should refer to international journal submission template.
3. The email address for submitting papers is xshy@keyin.cn. The Papers should be Word 2003/2007 format and please mark with “Paper for 2018 CACPP”.
4. The process of paper review includes abstract review, paper first review, paper second review and last review. The papers, which passed three rounds of review, will be published in international journal.

Important Dates

Deadline of Abstract Submission: 2018.03.30

Deadline of Final Paper Submission: 2018.06.25

Notification time of Paper Approval: 2018.08.31

Important Information

1. E-mail for submitting papers: xshy@keyin.cn
2. Conference web: www.cacpp.com
3. Tel: 0086-010-8827 5607, 0086-010-8827 5775
4. Secretariat of Conference Organizing Committee
 - * Beijing Key Laboratory of New Technology of Printing and Packaging, China Academy of Printing Technology
 - Address: No.2 Cuiwei Road, Haidian District, Beijing 100036, China
 - Contact: XU Min, YANG Li, REN Yuhui
